

CAPABILITY STATEMENT

Founded in 2002, MAC Group is a privately held, multidisciplinary, certified Woman-Owned Small Business headquartered in New Jersey employing PMP-certified Project Managers and network infrastructure specialists with a strong focus on safety, sustainability, and innovation. For over 15 years, we have served as a trusted partner for network infrastructure solutions in the corrections industry. Our seasoned team of professionals manage and streamline each project, from kick-off to close-out, maintaining our rigorous commitment to integrity, quality, innovation, and collaboration. MAC Group also offers a range of high quality advisory and IT-support services to both public and private sector entities, including small and medium-sized enterprises (SMEs).

CORE COMPETENCIES

PROJECT, CLIENT, AND ACCOUNT MANAGEMENT
We collaboratively lead PMP initiatives from start to finish to optimize quality, safety, throughput, and cost management.

INSTRUCTOR-LED TRAINING
We design and deliver custom training for collaborative learning.

NETWORK SECURITY SOLUTIONS
Use our experience and expertise to understand what is taking place on your network.

AIRSPACE SECURITY SOLUTIONS
We can help you protect your airspace.

NETWORK INFRASTRUCTURE SOLUTIONS
We design, install, and expand network infrastructure.

EQUIPMENT INSTALLATION
Our certified and experienced technicians can install phones, network equipment, wireless access points, kiosks, and more.
